

PARENT CHILD SWIM LESSONS

This 30-minute class was developed to help young children get ready to swim by emphasizing fun in the water. Parents and children participate in several guided practice sessions that help kids learn elementary swimming skills including water entry, bubble blowing, front/back kicking, front/back floating, underwater exploration and more.

YOUTH SWIM LESSONS

To help with your busy schedule we have adapted our swim lessons to fit your families needs. To sign-up, simply choose a day and time, register all of your children for the same class, and we'll take care of the rest! On the first day the children will be tested and divided into groups by skill level. Once divided, the instructor will challenge your child from where they are, making sure that water safety and basic skills are reinforced and built on. They will work on floats, glides, the 6 swimming strokes and more. Each class is 45 minutes.
